

Welcoming Remarks

Prof. Rolf Becker

Dean, Faculty of Natural Resources and Spatial
Sciences

Welcoming NUST Virtual Workshop

- Workshop will look at:
 - ✓ Crafting a Research and Capacity Development Strategy for Land Governance Innovation in Southern Africa
 - ✓ Highlighting NUST continued innovation in Online and Remote Teaching and Learning growing expertise as part of the new norm
 - ✓ Highlighting the focus of the NUST:
 - Science and Technology
 - Research
 - Partnership
 - Fundraising
 - ✓ Applauding the African Land Policy Centre (ALPC), the African Union Commission (AUC), United Nations Economic Commission for Africa (UNECA) and the African Development Bank (AfDB) for the initiative to Strengthen Land Governance in Africa through the NELGA network.
 - ✓ The support of GIZ is also herewith acknowledged.

As a Faculty of Natural Resources and Spatial Sciences:

- Sustainable natural resources use, biodiversity conservation, land and natural resource tenure security and governance is at the centre of our faculty's teaching, research, consultancy work, and community engagement and partnerships.
- I am looking forward to collaborative research, joint masters and PhD student supervision across the region, based on the planned Research and Capacity Development Strategy for Land Governance Innovation in Southern Africa!
- And the application of research outputs in policy reform and improved land resources governance

Thank you
