

Special Research Call: “Strengthening policy-research linkages on land governance in Africa” under the theme: “Land governance as a driver for sustainable socio-economic development”

GIZ-SLGA in collaboration with the ADLAND, WB and ALPC is organizing a research conference event during November 19th - 23rd of November 2018 at Bahir dar, Ethiopia. The overall purpose of this conference is to encourage regional policy-research linkages and dialogue through conducting research related training, research Management workshop and paper presentation. In line with this, a valid research articles will be presented and discussed for further policy linkage and implementation follow up.

Hence, to meet this purpose, we would like to invite all interested NELGA node/hub members to submit a readymade but un published research article as per the special call attached here with. Together with the call, the updated version of the research event CN, Authors Guide and Authors Template are also attached to guide article contributors in the process of their submission.

Upon submission, please remember to cc the NELGA Regional Coordinator (Prof Mutjinde Katjiua, E-mail: mkatjiua@nust.na) and the NELGA Regional Advisor (Mr. Theodor Muduva, E-mail: theodor.muduva@giz.de).
